Can you call Darren? He told me the address we have is correct and he should be receiving them. Thanks.

Good Afternoon,

Please see below your return mail list.

Can you please review and advise what you would like to with these? Your options are as follows:

- 1 Re-mail to the same address
- 2 Re-mail to new address (provide address) – address must already be updated on the system
- 3 Destroy return due to recipient no longer required to receive item – system already updated with recipient no longer scheduled to receive the returned item
- 4 Destroy item as account is closed - (be sure recipient received final statement)
- 5 Destroy the check - Stop payment must have been placed on the check and the funds re-deposited
- 6 Client contact could not be made at this time – I will follow up within 30 days
- 7 Client contact was made and pending client letter of address change – Lisa-M Ramos will create a case to remail the returned items after address has been updated on the system.
