No. Doesn't work. Although, we may have done it just last year. Double check. This is being done to exit the relationship.

Hi Bella

The first step is to credit the returned funds to an existing account. Can you let me know which one?

Step two will be to initiate another wire. Kindly provide a signed letter of instruction and be sure to make note of the debit account number and dollar amount.

Please let me know if you have any questions.

We had an \$8723.23 wire returned that was sent to Caterpillar. Since that account is now closed, we need to credit the funds to a different account. What's the best one to use? Thanks
