Please separate the cases, then. We need Gratitude taken care of to open a new account. Mort does not have that same urgency. I'm here if you want to call.

Thanks

Hi Stewart,

Because both accounts Mort & Gratitude are part of the same KYC (01977700), we require Mort COGS or SoS, so this case can be submitted.

SoS is the screenshot of this entities registration confirmation from the state registry website. Alternatively you can provide us the COGS dated within the last 6 months for Mort. This is the only pending item for this case, thanks.

Kind Regards,

Hello Brad/Stewart,

This review relates to review of above high-risked accounts due for remediation 8/31/2018.

Upon review of the docs available from repositories, we have completed attached checklists, identifying RP's below. List of pending items listed below –

Acct Holder – Mort, Inc

Director, Sole Shareholder & Authorized Signatory – Jeffrey Epstein

Director, Vice President & Authorized Signatory – Darren Indyke

Director & Treasurer – Richard Kahn

- Please confirm material changes to this account and whether RP's identified above are correct or not?

- We were unable to locate COI for this entity. Additionally we were unable to extract SoS from the US Virgin Islands registry website. Alternatively, kindly provide COGS for this entity, dated within the last 6 months.

- Please confirm material changes to this account and whether RP's identified above are correct or not? Please note that in some docs, Richard Kahn reflects in Self Certification form (signed in 2016) and Form 990 (also from 2016), both attached for reference. Additionally from the last approved KYC 01790739 (from Aug 2017), Richard does not appear as an RP for this entity. Hence checking, kindly advise accordingly.
