

The Ritz-Carlton, Kapalua is proud to offer Jean-Michel Cousteau's Ambassadors of the Environment program, which features an environmental and cultural education center with excursions led by expert naturalists. You can hike through the Hawaiian rainforest, snorkel among Maui's beautiful coral reefs and participate in underwater photography sessions while exploring nature's relevance to the Hawaiian culture. The Ambassadors program creates opportunities for each participant to learn about Hawaii's unique environment, while demonstrating connections to the larger global systems.

AMBASSADORS NATURALISTS – The naturalists of Ambassadors of the Environment are more than just guides – they are equipped with the knowledge and experience needed to share and explore the wonder of the natural world with you. All naturalists have degrees in a wide range of science fields and have experience working with young people. They are First Aid, CPR and Water Safety certified and are trained by Jean-Michel Cousteau's team.

CANCELLATION – Please note that if you wish to change or cancel your activity, you must contact Ambassadors of the Environment 24 hours in advance to avoid a 50% cancellation fee.

EXTENDED HOURS – Extended hours of supervision are available for participants of our programs at a charge of \$40 per hour (or part thereof) per child. If desired, lunch and \ or dinner can be provided, where not already stated, for an additional charge to the guest. Please contact Ambassadors of the Environment for further information.

PRIVATE AND WEEKEND PROGRAMS – Available with advance notice and starting at \$199. Please contact Ambassadors of the Environment for more information.

****Due to liability reasons, all children must be at least 5 years of age and bathroom independent. All 5 year olds must arrive with proof of age upon registration.**
