We got the limited trading authority doc already, right? Any other of these look like they're already taken care of?

We have re-checked the repositories and

didn't find anything for this.

For Plan D LLC covered in KYC 01977695, following is the only pending rejection item which requires resolution –

c. Please identify the legal reps and update the entity details page to reflect this information. The Operating Agreement states the company is manager-managed. An individual named Lawrence Visoski is identified as the initial manager. Is he still the manager of the company? Legal reps must be identified, verified, and added as parties to the KYC. Diligence searches are also required for legal reps. – Kindly provide the relevant doc for this, please? In your last response on this, you had stated “Reaching out to client. Will revert.”

Hi Stewart,

As discussed, we are awaiting responses to attached emails. For Plan D, you have mentioned that you are reaching out to the client, so just awaiting feedback on that.

Please note the resolution of above cases will lead to completion of ALL accounts from this relationship for 2018.

For Jockey Club, I will respond in a separate email.

Let us know if any queries, thanks.

Kind Regards,
