Paul,

Hope your week is off to a good start. Touching base as our team is hosting a Real Estate focused event in a few weeks and we wanted to extend an invite. It's the first in a series of events we'll be hosting focused on disruptive technology in big industry. Recognize real estate may not be a core focus for you, but think it should be an interesting event and a good opportunity to meet other family office folks. Let us know if it's of interest and we can get you signed up.

Thank you,

Vahe
