Paul,

I hope you can join us for a preview of Frieze New York on Wednesday, May 1, 2019 from 9a.m. on Randall's Island Park in New York City.

In addition to the world-renowned Frieze Art Fairs in London and Los Angeles, Deutsche Bank is the Global Lead Partner of Frieze New York, one of the most anticipated events on the international art circuit. This year's Fair will showcase more than 1,000 of today's leading contemporary artists and galleries.

You will have VIP access to the Fair for its duration through the Deutsche Bank Wealth Management Lounge, which will feature the works of Nigerian-born artist ruby onyinyechi amanze, and where you can enjoy a welcome break.

Please find below the invitation and link to our registration site for more detailed information and to reserve tickets.

I hope to see you there. Please let me know if you have any questions.
