Epstein docs are back and are being reviewed to see if anything was missed. Called and emailed Anup and Guy yesterday for the meeting and haven't heard back. Will reach out again either this afternoon or tomorrow morning. Tazia and Mark are both free on August 13 and 14 but told them that we would be able to accommodate any day that week (except Monday) if those days did not work for them

Will do. I'll send an update this afternoon. I know she was working on the

LIBN and I had mentioned there's a yearly LI top 500 published and will see if she's done research on that
