Sorry, guess I missed the discussion on this. For generic, will Paul and I at least sign? And for personal we will write a note? And then you will handle addressing the envelopes and sending?

I can run through the list with you tonight and you are welcome to my contacts

Stew--

For holiday cards, Paul is going to hand write some and send others generic. The cards are under my desk, happy to bring some over if you want to send any specifically. There are 100 total. To get them out in a reasonable amount of time (Tuesday of next week) I would like to have a list of names Thursday or Friday (specifically as opposed to relationship level... i.e. Frohman Anderson and Matt Womble instead of Everwatch). I then need access to your contacts to populate addresses. Is that a doable timeline?

Thanks,

JJ
