As usual, I am inviting a large group, but expect only a handful to attend. Most are from out of town, I just want them to feel loved . . .

Thanks

#### Lounge Artist

This year's presentation in the Deutsche Bank Wealth Management Lounge at Frieze New York will showcase the works of Valeska Soares, a Brazilian artist who resides in New York. Her works utilize her training in modernist architecture to create environments and objects that explore phenomenology and desire. Through evocative, often incongruous materials, she explores the tensions created by opposition's, often referring to but not depicting poetry, literature, film, psychology and mythology for her investigations. <http://valeskasoares.net/>
