Greetings, Paul. This is all about disruptive technology in real estate. We intend this event to be the first in a series about disruptive technologies in various industries.

We are calling this the "Evolution of the Built Environment", which will cover real estate, infrastructure, construction, architecture, advanced materials and emerging technologies.

The event will take place at the Woolworth Building. Please see the invitation below, and kindly let us know if you will join.

We would love to see you there. Best regards, --Josh
