Classification: For internal use only

I sent my email to all of them last week, but can adjust the list for next time if you like.

For good record keeping, Richard Merage does not want these emails (but we should still send RE research) and I also need to add David Homrich [REDACTED] ) and Chris Donabedian [REDACTED] to my list.

Amanda, can you add Chris Donabedian and Winston Advisors to me in DB Force?

Thanks

Let me know who owns the names (I know Karl should only be on Stew's)

Duplicates:

Eric Attias

Karl Schreiber

Kelly Masuda
