**Attachments:** Pipeline 7.31.2013.xlsx

Classification: Public

Hi Paul,

I've attached a pipeline in the format I think you wanted. The first sheet of the attachment is the pipeline in full. On the bottom of the Excel sheet you will see tabs that are marked by each product name. Under each tab the pipeline is divided by product with a total sum. Have a look and let me know your thoughts.

(See attached file: Pipeline 7.31.2013.xlsx)
