Hello Team -

The excel file attached (labeled "Epstein Holdings") has been formatted for efficient use; you can simply print "entire workbook" and it should have the agenda, summary, and complete holdings detail in the correct order. Our position conclusions are noted in the far left column.

The word file attached labeled "Epstein Meeting Notes" is internal only, meant only to be a guideline and reference source for all of us on this call. Investment ideas detail on the last two pages.

Nav/Vinit - The term sheet attached is the pivot trade that you were speaking about (Bobby sent it to me), for our reference as well. Other research is simply there for reference.
