Sounds good. I'll send through our initial suggestions, Nav, and then you can opine on top of that, that'd be great.

Hello Vinit & Nav -
Paul and I spoke with JE this morning. This a proposal, from him, of putting ~100mm to work. I'm putting together some suggested tweaks on a few pieces (ex additional companies in japan, detail on the energy piece), and pricing, etc. Clearly always love your input as well Team!
