Classification: Confidential

Hello Vinit & Nav -  
Paul and I spoke with JE this morning. This a proposal, from him, of putting ~100mm to work. I'm putting together some suggested tweaks on a few pieces (ex additional companies in japan, detail on the energy piece), and pricing, etc. Clearly always love your input as well Team! Please let me know if/when you have a moment to discuss, thanks! Also, recognize this is helpful in scaling ideas.

Best,  
Tazia
