Classification: For internal use only

Okay - 10.30am nyt then. Given the futures and the conversation we want to have around entry-point orders, that timing's just fine as far as our trades go. I'll coordinate w JE/Lesley so we are sure to connect this time. Safe travels

Perfect, will do. Thank you.

Vinit - patch you in at 9am ET, if that works? (before US open, but close enough to have sense of direction/levels)
