Hi [REDACTED]

Please send over the spreadsheet that you referred to so I can see what it is that this client needs. Is this SOFL or a different client?

[REDACTED] and I work closely and I think it is best if he is your point of contact going forward at least in NY time zone. If he is busy or traveling, I can be his backup.

Thanks

Jatin - see below. can you guys show indicative in the format this client asks for? Client effectively wants us to send him a screen of tenors and maturities, 2 way mkts on ea in Excel format (he's on the road). I can send him that output on bbg futures if that's close to OTC mkt.

Let me know best solution.

Thanks,
[REDACTED]
