Hi Rich -

Just a heads up since Jeffrey just called to ask and we want to make sure you have the info too - his 4.5mm PDVSA 5% 10/28/15 are trading 96x96.50
As relayed to Jeffrey, this is an As Agent indicative market - our desk that looks for best bids/offers, not a market from DB only.
Jeffrey just commented on the good rally, no trade right now (recall he owns them ~92.33)

Speak Soon!
Tazia
