Hi Tazia:

Unfortunately, there are the same issues with the document as we had last week.

The same revisions regarding Nav's personalized comments and his contact information apply equally here when compared to the earlier communique. Please edit as you did previously.

I understand that you wish to challenge that decision, but to get this piece out today we need to follow existing guidance and revise. I am in contact with Compliance, and either Ziggy or I will give you an update when available.
