Yes, CB&S did a financing for Utah Park City resort, we had a client who bought a piece of the syndicated loan. So we can do both, bring financing to CB&S and help the client on that side and or be part of the syndication and place the securitized deal - in this case the return/coupon was L+525bps, ~13.5% on repo which this client ended up doing.

Kind regards,

Caroline Kitidis
