> Todd, I appreciate the time today, we will circle back with you shortly, as I mentioned I spoke to je a week or so ago and made sure every thing is fine as you and I discussed, I also told him if there are any issues in the future that he should direct to me and I would handle. I don't think we should make a big case here as I see no risk with je. What we are more concerned about is daniel's ability to cover and manage large sophisticated clients.
