Thanks Daphne.

Is there anyway to change that for a given client? For context this client (Southern Financial) has around \$200MM at the bank spread over 20+ entities each with multiple accounts. This is a really contentious point for them.

Appreciate he help.

Good morning.

Accounts with \$0 balances for 90 days are closed automatically on the system. No notification required – if you look at page 43 of the terms and conditions it says we can close an account without notification. It is the account executive/banker/RO's responsibility to make sure accounts are funded and remain active.

Let me know if you need anything further.

Kind regards,
Daphne Cales
