No need to go in, I was planning to go in later today and wanted to see if my office door was locked as Millie has key and just wanted to check prior to going in so don't have issue, who might be in today that could check for me? Thanks

I can be, we finished out the year for STC yesterday. Other than that it was extremely quiet. My plan was to monitor email and go in if anything comes up if that works for you. But happy to go in if you'd prefer.
