Andrew, these 2 Crestline investments are big and moving along (internal approvals in place etc) will be very good. Doing everything we can with ISG FYI, sitting with ISG/DPM on Southern Financial proposal for cash.

Thanks!

As for the put – no update, still with higher ups.

Crestline – working on KYC, their general counsel is reviewing the docs. Call with management this week.

Jaguar – NDA is done, we got some preliminary info on suppliers, the desk is trying to get a time with Rahul to discuss.
