

2. I will work out Cheryl and Deirdre, but I believe they both have a lunch event today. I will double check.

Kind regards,
Samantha Harmon

Classification: For internal use only

I'm in by 11. Let's move Cheryl to 12:30 or 4:30 and then Deidre to whatever time Cheryl can't do. I am having drinks with Paul Barrett at 5:30. Have to cancel Mark G for Friday and let's move Markella to that day. Leaving the office at noon on Friday, free on cell after 2 to do calls.

I see you plan to connect with Todd at 1 today. Should I reschedule Markella? Will you be in by 10? That's the only time I can see to reschedule to. Tomorrow is packed and so is Friday, unless I reschedule to next week.

Kind regards,
Samantha Harmon
