I don't have much insight beyond that, but do recall we had discussed joint reporting lines previously when we were talking about hiring Paul Barrett from JPM. I think we should talk today about what we want.

Chip/Haig,

A number of PC's have approached me over the past few weeks concerned that Caroline has told various Bankers that the PC's would be reporting jointly to me and her. I told them that has not been decided at this point. I mentioned this to Arnaud de-Servigny and he was unaware and surprised as PC's globally report into DPM. Do you have any insight?

Ben
