I don't think Michael would have any qualms about opening a DBAB account if its required. I've had some discussions with him in the past regarding purchasing CLOs via the PIC desk so I don't think it would hurt having an account open on the PCS side. It may be a way to facilitate some more activity from him moving forward...

I'll talk to Josh when he returns from a meeting and we'll see what we have to do to get this started.

Thanks,
Sean
