sending out a lot SOF III presentations, just a thought but we used to at JP send around every several days to the bankers a list of every client/prospects that say was invited to a managers lunch or got the materials with status with indications (soft/committed etc with totals) kept folks very focused on the offering, this is a good one

Sure thing, a few things from today, had breakfast with randy russell this week, spoke today, sounds like charlie wants to move forward with smaller loan and I should be getting a call, Leon should be opening up trading accounts very soon per epstein call today, and laura farischon is working on due diligence on taking a piece of upsize to gottesmans art facility, say 50-100.
