Subject: USPB Lending Only Relationships [C]

Classification: Confidential

Caroline and Mathew,

As discussed today, please find attached the list of USPB lending only relationships; the tab "summary" shows the number of lending only relationships by office and banker, as well as the combined revenues for lending only relationships for that banker.

I will be sending the list of relationships with estimated net worth >\$100mm over the weekend.

Let me know if you have any questions.

Best,
Diego
