This is not a new client, though not a regular retail deal participant so a new name on this exchange. Descrip: >\$2bn family office, RE and operating businesses in Europe, US, and Australia. Work with DB globally. Hart Acquisitions is a KCP-Americas entity. Given the extremely low allocation to retail, we will manage expectations accordingly.

Greetings, Haig. Please see below. Would you give a KCP allocation off the top for Hart below? Mike I. thinks we see no more that 600k shares in Wealth Management. It may well be lower. 50 bps of 600k shares is 3000 shares. What do you want to do? Thanks, Haig. Best regards,--Josh
