

NOTICE TO RECIPIENTS

The information herein is believed to be reliable and has been obtained from sources believed to be reliable, but we make no representation or warranty, express or implied, with respect to the fairness, correctness, accuracy, reasonableness or completeness of such information. In addition we have no obligation to update, modify or amend this communication or to otherwise notify a recipient in the event that any matter stated herein, or any opinion, projection, forecast or estimate set forth herein, changes or subsequently becomes inaccurate.

We are not acting and do not purport to act in any way as an advisor or in a fiduciary capacity. We therefore strongly suggest that recipients seek their own independent advice in relation to any investment, financial, legal, tax, accounting, or regulatory issues discussed herein. Analyses and opinions contained herein may be based on assumptions that if altered can change the analyses or opinions expressed. Nothing contained herein shall constitute any representation or warranty as to future performance of any financial instrument, credit, currency rate or other market or economic measure. Furthermore, past performance is not necessarily indicative of future results.

This communication is provided for information purposes only. It is not an offer to sell, or a solicitation of an offer to buy any security, nor to enter into any agreement or contract with Deutsche Bank AG or any affiliates. Any offering or potential transaction that may be related to the subject matter of this communication will be made pursuant to separate and distinct documentation and in such case the information contained herein will be superseded in its entirety by such documentation in final form.

Because this communication is a summary only it may not contain all material terms, and therefore this communication in and of itself should not form the basis for any investment decision. Financial instruments that may be discussed herein may not be suitable for all investors, and potential investors must make an independent assessment of the appropriateness of any transaction in light of their own objectives and circumstances, including the possible risks and benefits of entering into such a transaction. By accepting receipt of this communication the recipient will be deemed to represent that they possess, either individually or through their advisers, sufficient investment expertise to understand the risks involved in any purchase or sale of any financial instrument discussed herein. If a financial instrument is denominated in a currency other than an investor's currency, a change in exchange rates may adversely affect the price or value of, or the income derived from, the financial, and any investor in that financial instrument effectively assumes currency risk. Prices and availability of any financial instruments described in this communication are subject to change without notice.
