Paul -- Update on the below.

As Jeanne noted she still needs to send over a letter of authorization stating who has inquiry capabilities. They also have to change the Board of Directors Resolution as they miswrote the name of the company a few times. I have spoken with her and she understands and is aware of what needs to be changed. She's speaking with their lawyer now to have it updated.

Nothing on your end that you need to do but just want to keep you aware and up to date as to what is going on

Dear Jeanne,

I apologize in the delay but our back office has come back to me and told me we are missing a few key items we need to get these accounts approved. Before I am able to send account opening documents I still need a few items and have a few questions. Once I have this information I should be able to have everything approved and send over account opening documents by the end of this week or early next. Please see below for what I need:

Southern Trust Company Inc:

- Certificate of Good Standing dated within 1 year
- Share Registry/By-laws showing who owns how much of the company
- W-9
- I see in the Articles of Incorporation for Financial Infomatics that the company was formed by 3 individuals (Erika Kellerhals, Gregory Ferguson and Brett Geary.) Are they still the sole owners? If so I will need their photo ID's, Addresses, Social Security #'s and source of wealth.

- The articles of Incorporation also do not mention Jeffrey Epstein having authority over the account so if he is to be the main signer then we would need written proof of that signed off by the above 3 individuals

Southern Financial LLC:

- Certificate of Good Standing dated within 1 year
- W-9

Jeffrey Epstein:

- Photo ID
- Social Security #
- Address
- Letter of authorization stating that you, Harry Beller and Richard

Kahn have inquiry capabilities

Please let me know if you have any questions and I look forward to hearing from you

Kind regards,
Amanda Kirby
