Classification: For internal use only

Troy - Southern Financial/Southern Trust (Epstein) is a new, significant, active relationship that we are on-boarding to KCP. Once we obtain the information for the ISDA template (per below), can we please have a brief meeting among all of us on this email to discuss the relationship (like we did for Grassie, Cindy's client) to ensure that we are all on the same page from a credit and timing perspective?

Thank You,
Tazia

Amanda,

I am going through the account opening process while the ACAT forms are out. In the meantime, can you please fill out the Credit's ISDA template and retrieve the relevant financials etc? I am happy to answer any questions.

Paul,

I CC'ed Kevin here who likely will be running point on ISDAs for Southern Financial and Trust. I thought we were going to wait until the assets are in-house to begin that process? Happy to help move forward regardless.

Thank you,
Vahe
