

Account Transfer Form Instructions

Complete all sections according to the instructions below. Please print or type all information. Return the completed form to your financial organization.

NOTE: You must attach your most recent statement to process this account transfer. For an internal transfer (for instance, a transfer of assets between two introducing broker-dealers who clear through Pershing) the statement is not required.

I. RECEIVING FIRM INFORMATION (Only one per form)

- Provide your Pershing account number.
- Provide your Social Security Number (SSN) or Tax Identification Number (TIN).
- If the account is a joint account, provide the SSN or TIN for the joint owner.
- Provide the two character account type code that most accurately describes your account.

II. DELIVERING ACCOUNT INFORMATION

- Provide the clearing firm number. If there is no clearing firm number, enter the delivering firm name, contact name, and telephone number.
- Provide the original account number of the account you are delivering to Pershing.
- Provide the account title as it appears on your statement for the account you are transferring.

III. TRANSFER TYPE (Chose only one)

Indicate the type of transfer you are requesting by checking the appropriate box. Pershing will only transfer positions in kind for retail accounts. For nonretirement accounts, the quickest way to liquidate your assets is to call your existing financial organization and place a sell order. In order to ensure that the trade is executed at the time and price you want, request to have the proceeds check mailed directly to you. When you receive the check, mail it (including your account number on the check) to: PERSHING, ONE PERSHING PLAZA, 14TH FLOOR, JERSEY CITY, NEW JERSEY 07399, ATTENTION: MONEY DESK.

- A Direct Registration System (DRS)/Direct Reinvestment Plan (DRIP) transfer is a transfer of a position held directly at the transfer agent.
- A direct mutual fund transfer is a transfer in kind of a direct mutual fund position from the mutual fund company.
- Bank retirement plan accounts involve transfers of retirement plans at banks with CDs, checking accounts, or savings accounts. Please indicate if you want to liquidate immediately or defer these instructions until maturity date. Please contact your financial organization to stop any automated rollover reinvestments. (Please read section V and sign when applicable.)

IV. PARTIAL TRANSFERS, DIRECT MUTUAL FUNDS AND LIQUIDATIONS

If you selected Partial Transfer, use this section to specify the appropriate assets for a partial transfer. If you selected Direct Mutual Fund Transfer, use this section to identify the mutual fund positions to transfer.

- Liquidation instructions will only be accepted from non-National Securities Clearing Corporation (NSCC) firms.

■ Select a dividend and capital gain option for direct, in kind mutual fund transfers. If a box is not checked, Pershing will process the transfer as reinvest, for dividend and capital gain options.

V. RETIREMENT PLAN RESTRICTIONS AND CERTIFICATIONS

If you are transferring a retirement account and are over the age of 70 1/2, read this section carefully. Contact your investment professional or financial organization if you have any questions.

■ The new custodian must provide the appropriate paperwork.

■ For retirement accounts for which Pershing LLC acts as the custodian or servicing agent, you must pay all termination fees to your prior custodian before you can transfer assets. Any deposit made to your Pershing LLC custodian account to reimburse fees after the transfer shall be processed as a current year contribution.

NOTE: If you are transferring from a trustee, make the appropriate selection. If you have selected someone other than Pershing LLC as custodian, have your investment professional or financial organization obtain the necessary signatures to accept custodianship.

VI. PARTICIPANT SIGNATURE AND CERTIFICATION

■ Sign and date the form.

■ The form must be signed, dated, and signature guaranteed within 90 days of its receipt.

To the Delivering Firm Named Above: If this account is a qualified retirement account, I have amended the applicable plan so that it names as successor custodian

the trustee listed above. Unless otherwise indicated in the instruction above, please transfer all assets in my account to Pershing without penalties, such assets

may be transferred within the time frames required by NYSE Rule 412 or similar rule of the NASD or other designated examining authority. Unless otherwise

indicated in the instructions above, I authorize you to liquidate any nontransferable proprietary money market fund assets that are part of my account and transfer

the resulting credit balance to the successor custodian. I authorize you to deduct any outstanding fees due to you from the credit balance in my account. If my

account does not contain a credit balance, or if the credit balance in the account is insufficient to satisfy any outstanding fees due to you, I authorize you to

liquidate the assets in my account to the extent necessary to satisfy that obligation. If certificates or other instruments in my account are in your physical

possession, I instruct you to transfer them in good deliverable form, including affixing any necessary tax waivers, to enable the successor custodian to transfer
