spoke with him yesterday extensively. he said 3-5 business days, it's with
Dario. I asked him if we can jump on the phone with jeffrey together in the
interim. roger does not feel comfortable doing that yet. need approvals.

Jeffrey - we tried you on a few different lines. Matt's direct again
(212)250-8846 if you want to just talk with him.

On the FX front - your USDRUB binary has 7 trading days of time value left in
it. Know you're well aware, but the \$257k premium looking to expire

EFTA01468275

worthless. You're 102.5 \$/Y call is leaking time value - matures 5/15, so want to keep that front of mind as the yen is favorably weakening vs. the dollar here. We have you plugged into US FX trader (212-454-8865, Caleb David)

and, in addition to Nav and Vinit in London, finalizing the trader connection in Europe for you - as of now, you can speak direct with Roger Posch, +41 (58)111-5146, but I need to be on the line for licensing purposes.

Speak with you soon,
Tazia

Jeffrey –

Meet Matt O'Connor, MD in Commodities Sales (212-250-8846, but best to
access him on Bbg). We are plugging you in directly to Matt to resolve
your

frustrations related to timing and information.

Attached is a Bloomberg OMON screen, options on WTI futures with the
spectrum of strikes and tenors. I believe this is what you want. If so,
we

can send this at anytime. If not, please let us know the format that you
are looking for. As you know, DB OTC bid/ask will vary from this based on
firm inputs for vol/skew/etc. Matt and team will provide those specific
markets for you directly; there isn't a spreadsheet output.

Look forward to discussing with you,

Tazia
