Classification: For internal use only

Paul -

Thirdlake email is sent. I will call Joakim tmw (I'm sure voicemail) to be sure he sees it. I'd like to get a call/meeting scheduled for him and PMs Marron and Zaro emails are teed up for tomorrow morning ("beach reading" into 4th of July, didn't want them to get lost tonight).

GA - I believe we should wait until I'm back from MTA (I think sending so close to our meeting last week will look tacky)

Elysium and SFLC are attached for you. Per our conversation you wanted to wait on these. You have sample emails that you can re-customize, and you can just cc me (ie KCP) if/when you send.

As you know, my MTA begins 7/7, but I don't want to sit on these - we can tee up calls with the PMs or go through the calendar-coordination while I'm out and schedule the actual calls for the week of 7/21 when I'm back.

I've cc'd Melissa here who is an absolute superstar and can help coordinate this (or anything else) while I'm away.

Speak with you soon,  
Tazia
