Thank you, Jeanne. I'll still need the Certificate of Good Standing before I can submit to Compliance for approval. Knowing the turnaround time I do not expect to have these account numbers before early next week. I will keep you updated.

Amanda

See attached documents. Please co-ordinate with Bebe as to getting the original to your office.

Please send me the account number as soon as you have. And any procedures required for having the account added to the online profile.

Thanks

Jeanne
