If u talk with Brad again, mention our deposit and cd rates, he's not focused on investments now but tell him our family office clients find it attractive for excess cash and current rate environment and he has bank account opened

Yes. I spoke with Vahe. He has an account opened in his name. Just waiting to hear back from Brad for a few follow up questions before sending over additional paperwork to add JE as POA and a few additional items

FYI - we just heard from his family office. They want to proceed setting up and funding the account. They confirmed Jeffrey Epstein will have authority to transact on Leon's behalf.
