Here is the full list of prospects and full pipeline (two end tabs in the same document). I haven't updated the summary yet but will work on that tonight.

We never heard back from Mamie on meeting with Gallivan, will follow up now.

We actually just discussed this. They said they wanted to wait until Q4... they just need to fill out an NOB which I have provided along with instruction on how to draw.

If you communicate with Cecilia or Marcus can you make sure we all get copied?

Thanks,

JJ

JJ,

Can you remind me where this was left while I was out? I'd like to get this completed in the event they have a live transaction.

Best regards,
Andrew King

I'll be out of the office beginning Aug. 17 – Aug. 28 with limited access to email. My associate, JJ Litchford (copied), has been fully briefed, and will be the primary point of contact for you in my absence.

Chris will continue to cover your trading/execution needs, Dan will be available for custody questions, and Abi will be available to answer any questions as we complete the process for NACs line-of-credit.

I hope you have a great weekend, and I look forward to catching up in September.

Best regards,
Andrew King
