Classification: For internal use only

FYI - Daniel spoke to Jeffrey this afternoon about the following:

- 1) Trade #1: Bullish USDJPY Seagull – pricing sent to JEE a few minutes ago
- 2) Trade #2: drug royalty financing trade – discussed high level bullet points. He would like to see an NDA, which we'll follow up with next week should DB be awarded mandate.
- 3) Trade #3: CS Autocallable note linked to lesser of: SPX/RTY/SX5E. STG reached out to CS for pricing, which we will share with the client ASAP.
- 4) Trade #4: TWTR TRS and sold call option trade update. Details of monthly reset forwarded to JEE a few minutes ago.

Thank you,

Vahe
