Good Morning Lesley & Rich!

We would like to introduce Jeffrey to Daniel Sabba this morning -- our new head of DB Key Client Partners Capital Markets in the US whom will be covering Jeffrey directly for all of his active trading going forward. Paul and I are thrilled to bring Daniel to Jeffrey's DB coverage team -- I know he will add tremendous value on the active, cross-asset trading front.

I'd like to set up 15min intro over the phone - today, if possible. This should be brief, and then we can arrange a time for Daniel to meet with Jeffrey in person.

please let me know when works for Jeffrey and you to do a brief call.

Kind Regards,

Tazia
