Hi Team!

Vinit - So you know, JE does have a bunch of our favorite Global KCP Cap Mkts ideas in front of him. Would love him to come back to us on those, great if we reiterate

Paul - Did he pass on all 5 pages and highlights that we showed him Friday? Loved those ideas - that energy basket is a rockstar right now, have you seen shares of Pannasonic on the back of TSLA news? There was such a great window for that Eurostoxx/Russell note, and the Asset Manager structure is so compelling. Would love to hear feedback if you have additional color from him.
