

Confidential Due Diligence Report – YHS, LLC

Rather than flat-out decline to charge Epstein, Krischer referred the case to the grand jury to "appease" the chief, Goldberger said.

A state attorney's spokesman would say only that the office refers cases to the grand jury when there are issues with the viability of the evidence or witnesses' credibility.

Both the state attorney and the grand jury concluded there was not sufficient evidence that Epstein had sex with minors, according to Goldberger. "It was just a childish performance by the Palm Beach Police Department," Goldberger said.

The defense attorney said one of the alleged victims who claimed she was a minor was in fact over the age of 18. Another alleged victim who was subpoenaed to testify to the grand jury failed to do so. Epstein's accusers, he added, have histories of drug abuse and thefts. "These women are liars. We've established that."

But why would they all invent their stories about meeting Epstein for sexual massages?

"I don't have an answer as to what was the motivation for these women to come forward and make these allegations," Goldberger said.
