

Bank products and services are offered through JPMCB and its affiliates. Securities are offered by JPMSI and, to the extent noted above, cleared through JPMCC.

If a partial call is made with respect to an issue of securities included in your Account we will allocate the call by a method we deem fair and equitable.

You must promptly advise JPMSI of material changes in your investment objectives or financial situation. Unless you inform JPMSI otherwise, JPMSI will consider the information currently in its files to be complete and accurate.

JPMSI is not a bank and is a separate legal entity from its bank or thrift affiliates, including JPMCB. The securities sold, offered, or recommended by JPMSI:

- (1) Are not insured by the Federal Deposit Insurance Corporation, or any other governmental agency;
- (2) Are not deposits or other obligations of JPMSI's bank or thrift affiliates (unless otherwise indicated), and are not guaranteed by or the responsibility of any such affiliates (unless explicitly stated otherwise); and
- (3) Involve investment risks, including possible loss of the principal invested.

JPMSI's banking affiliates may be lenders to issuers of securities that JPMSI underwrites, in which case proceeds of offerings underwritten by JPMSI may be used for the repayment of such loans, and you should refer to the disclosure documents relating to particular securities for discussion of any such lending relationships. The Federal Reserve requires that JPMSI obtain your consent before it can obtain certain information from its bank or thrift affiliates, including their credit evaluation of you. We will assume that your continuing to transact business with JPMSI will constitute your consent to the sharing of such information by JPMSI and its bank or thrift affiliates, to the extent permitted by law.

This statement is not an official document for income tax reporting purposes.

Deposits in Foreign Branches are not insured by the FDIC or any other Agency of the Federal Government; Amounts in such foreign accounts do not have the benefit of any Domestic preference applicable to U.S Banks; certain Foreign accounts are considered reportable to the Internal Revenue Service on a Report of Foreign Bank and Financial Account (TD F 90-22.1).
