Notice of Check Image Format Change

Beginning June 17, 2005, your check images will appear in black and white. This format provides more clarity and legibility than the previous greyscale design and makes it easier for you to read cashed checks and confirm payees. This change is in accordance with the Federal Reserve's new guidelines for standardizing check images. Please contact your account officer, if you have any questions regarding this change.

Note: If you do not currently receive check images, this notice has no affect on your accounts.
