

For the Period 4/1/14 to 4/30/14

Global Access Portfolios share certain characteristics with hedge funds. In particular, an investor who withdraws from a Global Access Portfolio will not receive the withdrawal proceeds in their entirety until 30-60 days after completion of the Portfolio's audit, which may be 18 months or longer after the redemption date. Interest might not be paid on any proceeds pending distribution. These restrictions apply even if the investor's account at JPMorgan is closed. The Confidential Private Placement Memorandum and applicable Supplements contain other important information about the Global Access Portfolios and are available upon request or for your Investment Management or Trust account contact your J.P. Morgan team.

4. Alternative assets may include publicly available mutual funds that utilize non-traditional investment management strategies, for example, strategies commonly employed by hedge funds. Mutual funds generally calculate the price (the "Net Asset Value" or "NAV") on a daily basis and mutual fund NAVs shown on your statement generally will be the NAV as of the close of the last business day for this statement period. Please refer to the applicable mutual fund prospectus for further details. If the applicable mutual fund is a JPMorgan Fund, please refer to disclosures on this statement concerning JPMorgan Funds for other important information.
