We will no longer allow wire transfers from business savings accounts. Beginning November 17, you will no longer be able to send domestic or international wire transfers from your Chase business savings account. You will still be able to receive them. We will cancel any wire transfers, including recurring ones, you scheduled to be sent after this date.

You can send domestic wire transfers from any Chase business checking account. If you need to send an international wire transfer, please visit a branch or call the number on your statement to understand your options. These changes will help us more effectively manage the risks involved with these types of transactions.

All other terms and conditions of your account remain the same.
