We are updating your Deposit Account Agreement

We will update the Electronic Funds Transfer Service Terms in your agreement for personal accounts effective March 22, 2015, to cover how you can use an eATM (formerly known as an Express Banking kiosk) located inside a branch lobby during the branch operating hours:

- You can deposit up to \$5,000 in cash each day.
- You can withdraw up to \$3,000 each day. All other withdrawals at eATMs count toward your daily ATM withdrawal limit. Privileges card limits remain the same.
- You will be able to provide us personal identification that we accept, such as a driver's license. Our branch employee will then give you a temporary, one-time code so you can have full use of the eATM.

These changes will happen over several months, so you should ask an employee in your branch if the eATM has been updated with these changes.

For a copy of your agreement, you can view it anytime by logging in at chase.com and clicking Legal Agreements and Disclosures at the bottom of any page, or visit a branch. If you have questions, please call us at the telephone number listed on this statement.
