Important Information about your Chase BusinessSelect

SM Checking account:

We may have given you conflicting information about using Chase Paymentech Merchant Services as a way to waive your monthly Service Fee on your checking account. As a reminder, your Chase BusinessSelect SM Checking account will have no monthly Service Fee when you meet one of the following five requirements during any statement period:

- Maintain an average daily balance <sup>1</sup> of \$7,500 or more in this account;
- OR keep a minimum daily balance <sup>2</sup> in your checking account of \$5,000 in this account;
- OR pay \$50 or more on qualifying checking account fees <sup>3</sup> (not including the monthly Service Fee);
- OR make \$1,000 in purchases on your linked Chase Business Credit Card during the monthly checking statement cycle <sup>4</sup>;
- OR maintain a linked qualifying personal checking account <sup>5</sup>

1. Average daily balance is the average of the end of day ledger balances during the monthly statement cycle.
2. Minimum daily balance is based on your ledger balance at the end of each day.
3. Includes all fees charged to your business checking account whether or not identified in the Additional Banking Services and Fees disclosure, except for fees refunded to your account, the monthly Service Fee, Safe Deposit Box fees, fees bundled as part of transaction amounts (e.g., foreign exchange rate adjustments and non-ATM cash fees) and fees for third party provided services.
4. Chase Business Credit Card must be in good standing (not delinquent, closed, charged off, or revoked) and linked to this Chase BusinessSelect Checking SM account.
5. Qualifying Chase personal accounts include Chase Premier Plus Checking SM, Chase Premier Platinum Checking SM and Chase Premier Platinum Asset Management Account SM (available in certain markets only).
